

Announcement of Health Systems Research Institute (HSRI)

Subject: Anti-Bribery Policy and No Gift Policy

Fiscal Year 2025

I am Mr. Supakit Sirilak, the Director of Health Systems Research Institute (HSRI) along with our personnel would like to announce the joint intention that all kinds of gifts and other similar forms of rewards will not be accepted during, before, and after performing duties (No Gift Policy) which will cause corruption and misconduct. I also adhere to the major institutions including the nation, religion, and monarchy as well as perform ourselves in a professional manner with honesty, integrity, and transparency. We live with dignity and promote personnel ethics and maintain standard disciplinary procedures of the Institution and the Ministry of Public Health which we do not act in a conflict between personal interests and public interests as we do not accept any financial benefits from anyone apart from benefits that should be gained in accordance with the notification of the National Anti-Corruption Commission. Finally, we consistently follow the Sufficiency Economy Philosophy for the purpose of country's prosperity and sustainability.

From now onwards

Announced 26 November 2024

(Dr. Supakit Sirilak)

Executive Director

Health Systems Research Institute (HSRI)
